

Dear All,

We are currently completing surveys with residents of West Bendigo and Darnum. We would like to sincerely thank those people from West Bendigo and Darnum who have already been involved in the study. If you haven't been involved and would like to participate please call 1800 020 727 or email Elyse - snowdone@unimelb.edu.au.

We have been in contact with many of our community partners recently and enjoyed visits to the Axedale "Our Town, Our Future" committee, and also to Kinglake to be part of the launch of their amazing youth centre, Ellimatta, planned and designed by the local youth. We look forward to working closely with all of our participating communities early next year with the roll out of the surveys.

Now that we have our website up and active ([www.beyondbushfires.org.au](http://www.beyondbushfires.org.au)) we are also very keen to include relevant photos and images. We decided that rather than rely on our questionable photographic skills it would be much more meaningful to include images provided by those of you who are living in the communities and best able to represent the community experiences. Please contact Elyse on 90358287 or at snowdone@unimelb.edu.au if you would like to contribute. You can also send us your thoughts/comments via our social media outlets – Facebook <https://www.facebook.com/BeyondBushfires> and Twitter <http://twitter.com/#!/BeyondBushfires>.

We know that for many Christmas is an important time to come together and also to remember loved ones who are no longer with us. The Beyond Bushfires Team send warm wishes to you and your families at this time and wish you a peaceful and safe new year.

Warm Regards,  
The Beyond Bushfires team
